

Department of History
Certificate of Course Completion
2022-23

This is to certify that all teachers assigned to the History (B.A. I Year) course in the Department of History have successfully completed their teaching responsibilities.

Throughout the course, the teachers diligently covered the syllabus and met all course outcomes and requirements, demonstrating a high level of professionalism, dedication, and commitment to quality education. The teachers utilized a variety of effective teaching methods, including lectures, demonstrations, group activities, and assessments. They also incorporated student-centered approaches such as experiential learning, participative learning, and the use of ICT-enabled tools and online resources to enhance their teaching.

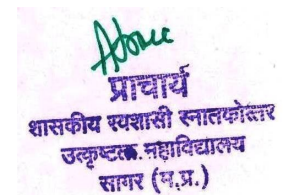

By creating an inclusive and interactive learning environment, the teachers promoted active participation and critical thinking among students. Their efforts aimed to provide a comprehensive and engaging learning experience beyond traditional educational methods. We express our gratitude to all the teachers for their exceptional dedication, professionalism, and unwavering commitment to the academic growth and development of the students in History. Please consider this letter as official confirmation that all assigned teachers have successfully completed their teaching responsibilities for Biochemical Techniques.

We kindly request that this completion be acknowledged and recorded in the appropriate documents maintained by the IQAC.

Thank you for your attention to this matter.
