*Government Autonomous Girls PG College of Excellence, Sagar views the induction program as a vital initiative to introduce and assist students in their move to higher education. The main goal of hosting the induction program is to equip students with the skills to adjust to the college's distinct social and academic setting, foster ethical learning, establish strong student-faculty relationships, promote awareness programs, enhance character development, and teach institutional norms. This program is designed to educate and empower students with a sense of social accountability, fostering their abilities to succeed and cooperate in their selected areas of study.*

*The induction program, which began in the academic year 2015-16, started on the students' first day at the college and lasted for three days. Its main purpose was to provide crucial information to help students adjust comfortably to the institution. A circular detailing the University Grants Commission's guidelines for conducting the program was distributed to all departments. Additionally, a timetable outlining the various activities planned for the induction program was made available to students.*

*The induction program at Government Autonomous Girls PG College of Excellence, Sagar is designed to align with the institution's values and promote holistic development and character building. The program aims to achieve the following goals:*

- *Introduce students to the college and their departments.*
- *Help students acclimate to the academic environment and college life, including understanding the curriculum objectives.*
- *Encourage students to explore their academic interests and engage in extracurricular activities.*
- *Establish a positive relationship between teachers and students, including explaining the Proctor/Mentor-Mentee dynamic.*
- *Provide training in interpersonal skills to enhance students' abilities.*
- *Inspire students to pursue excellence in their work through guidance and mentorship.*

*The induction program at Government Autonomous Girls PG College of Excellence, Sagar is seen as essential for assisting students as they move into higher education. Its main goal is to help students adjust to the college's specific social and academic environment, foster relationships with faculty and peers, and instill ethical values and a sense of responsibility. The program also focuses on building character and teaching students about institutional norms, all with the aim of preparing them to succeed and work together in their chosen fields of study.*

*The college introduced an induction program in the 2015-16 academic year, beginning on students' first day. It lasted three days and aimed to ease students' transition into the college. A circular was sent to all departments detailing the University Grants Commission's guidelines for the program. A timetable of activities was distributed as a brochure, and the program started with a welcome message from the Principal.*

*The goals of the induction program at Government Autonomous Girls PG College of Excellence, Sagar are in line with the college's values and focus on promoting a well-rounded education and personal growth. The program aims to achieve the following objectives:*

- *Give students a general idea of the college and acquaint them with their departments.*
- *Help students become accustomed to the academic setting and aid in their transition to college life. This includes educating them about the learning outcomes and skills they will acquire as per UGC guidelines.*
- *Identify students' academic interests and motivate them to engage in extracurricular pursuits.*

*Encourage a positive relationship between teachers and students, while highlighting a strict policy against ragging and sexual harassment. Offer training to improve students' interpersonal skills and support them in achieving excellence with guidance. Keep students informed about technological advancements and provide them with essential skills for their future education. Highlight the significance of ethical values and building character for personal and academic growth. The induction program at Government Autonomous Girls PG College of Excellence, Sagar is designed to create a supportive environment for students' development and success.*
