## Programme Highlights

The programme was structured in a way that ensured maximum participation and interaction among the participants. Dr. A. K. Pateria focused on quality assurance as an institutional benchmarking. Dr. Vibha Rathod discussed best practices for quality assurance. He took few relevant case studies. The key topics covered during the programme included:

1. **Quality assurance: Definition, principles, and processes**
2. **Internal quality assurance mechanisms**
3. **Best practices for quality assurance**
4. **Measuring and evaluating quality**
5. **Quality assurance in the context of higher education**

The programme was conducted through a mix of lectures, case studies, and interactive sessions. The sessions were facilitated by subject matter experts in the field of quality assurance.

## Outcomes

The programme was successful in achieving its objectives. Participants gained a deeper understanding of quality assurance and its importance in higher education. They were able to identify key areas of improvement in their respective institutions and develop strategies to address them. The participants were also able to identify best practices and tools that could be used to improve quality assurance processes in their institutions. The programme provided them with the necessary skills and knowledge to implement these processes effectively.

## Conclusion

The Executive Development Programme on "Quality Assurance" was successful in equipping IOAC members with the necessary skills and knowledge to implement quality assurance processes effectively. The programme provided a platform for participants to exchange ideas and best practices, which can be applied to improve quality assurance processes in their respective institutions.
